Please order(use) Piston Ring Set : **22B-23501-07** for EX400D80051

22B-23501-07 ring set includes,

Top ring 22B-23601-03

2nd ring 22B-23701-03

Oil ring 20B-23921-03

This is for 3 rings piston for EX40 engines.

(there are old type EX40 specs use 2 rings pistons.)

Basically, we don't sell each piston rings(Top, 2nd, oil) individually.

When replace piston rings, we are recommending change the all rings at once with Piston Ring Set.
